Specialized contract and search recruiting in:

- Sales and marketing
- Medical devices

Experience

With over five years of experience in the recruitment industry Jason offers customized guidance for professionals seeking contract work and full-time positions. Jason began his career as a physical therapist, and then as a sales representative for Theragenics, a medical device company focused on the treatment of prostate cancer. Jason's recruiting career has always been in the sales and marketing niche focusing on the medical device space.

Jason has a Bachelor of Science in Biomedical Science from St. Cloud State University, and a Master's Degree in Physical Therapy from the University of Minnesota.

Express Employment Professionals, Specialized Recruiting Group

The Specialized Recruiting Group, a business line of the Shakopee/Lakeville Express Employment Professionals office, is dedicated to servicing their clients with mid- to senior-level contract, search, and consulting services. With 10 years of experience in staffing, recruiting, and human resource solutions, the Shakopee Express Employment Professionals office also provides a range of employment solutions, including expertise in evaluation hire and temporary staffing.

References

"I worked with Jason to help fill our Connecticut territory role. It was a tough territory and a labored process, but Jason ultimately found us the right person and successfully filled the role. I hope to work with him again in the future."

**Alexander Galati, Region Manager
Boston Scientific**

"Jason has been a tremendous help to our strategic hiring process. We had been working on a very important search, and he was able to find us the right person very quickly. His follow up is fantastic, and continues to help us out with an increasing number of roles across multiple verticals. I enjoy his professionalism and skill to find the top candidates."

**Jeff Batuhan, Sr. HR Manager
Stryker Endoscopy**

"Jason was fantastic to work with. We had tried on multiple occasions to fill a particular position, but were unsuccessful until Jason provided us a stellar pool of candidates to choose from. His due diligence in making sure the candidates would be the 'right fit' was apparent, and much appreciated."

**Carrie Belaski, Regional Sales
Manager
American Medical Systems**
